

Invitation to participation in
Exhibition of CBW Protection Equipment
Stockholm, Sweden 2010

The 10th International Symposium on Protection against Chemical and Biological Warfare Agents will take place at Kistamässan, Stockholm, Sweden 8-11 June 2010.

As is customary, an exhibition of chemical and biological defence equipment will be arranged in connection with the symposium. The exhibition will offer a good opportunity for the symposium participants to make themselves acquainted with commercially available state-of-the-art equipment related to CBW- protection.

Exhibition Schedule

Access to the exhibition area (for exhibitors) is possible beginning Sunday 06 June, 2010.

The exhibition will be open for the Symposium participants and other invited persons from Tuesday 08 June until Friday 11 June.

Dismantling will take place on Friday 11 June after closing of the exhibition (1400 hrs).

Exhibition Area

The exhibition hall is located outside the lecture halls. No outdoor exhibition will be available.

Exhibition space will be assigned on first come, first served basis.

The exhibition area is divided into cubicles marked A:10, A:11 etc. as can be seen in the floor plan. Please let us know the marking of the area you would like to make a reservation in and the number of square meters you request. We will then do our best to handle your request favourably.

Please note that we have reserved the central area of the exhibition hall (marked C:05 on the floor plan) for national pavilions and for exhibitors requesting more than 90 sqm exhibition space.
